He will discuss the opportunities offered by carbon sequestration, one of many environmental benefits of sustainably managed working forests.

SILENT AUCTION

What began as a novelty idea more than three decades ago has transformed into a mainstay of every Annual Meeting since. Each year we strive to expand our base of donors and our offerings. You will be the envy of your friends and associates when you walk away with the top bid on any of our fabulous items!

Here are some easy ways you can be part of this event:

Donate an item to be placed in the Silent Auction. What sells? Just about anything ... handcrafted items, fishing and hunting trips, woodcrafts, photographs, artwork, jewelry, novelty items, tickets to sporting events, children's items, forestry-related items — you name it!

Donate cash. If you can't think of an item to donate, we have an easy solution to that problem: Cash donations are accepted in any amount!

Solicit a donation from someone you know. Many businesses would be more than willing to donate an item if asked! All contributors are recognized in Association publications, in Annual Meeting registration information, at the Annual Meeting and at the Silent Auction. Be sure to let your prospects know that promotional flyers or business cards for distribution will be placed with their donated item if provided.

For more details, please visit the Annual Meeting section of our website or contact Whitney Hough at 850.222.5646 or Whitney@FLForestry.org.

Pro tip: You do not have to decide yet what you are donating, but please let us know if you plan to participate so we can be sure to include you in our list of donors!
